

SAN FRANCISCO
STATE UNIVERSITY

**Dept. of Chemistry & Biochemistry
PRESENTS DEPARTMENT FACULTY ADVISING SESSION**

DR. TEASTER BAIRD, JR.

**SPECIAL ADVISING SESSION
FOR
CHEMISTRY AND BIOCHEMISTRY MAJORS**

Dr. Teaster Baird Jr. is Chair of the Department of Chemistry & Biochemistry. In this advising session, Dr. Baird will provide information about the three degrees that the department offers, the advising process, and describe what steps you need to take to earn an ASBMB-certified BS Biochemistry degree. Dr. Baird will also answer any questions you may have about the programs and the department.

All students who are interested in chemistry and/or biochemistry are invited to attend, especially transfer students, juniors and seniors.
